SCORE OF GAME 18 TO 13

The eleven of Adelphi Academy suffered its first defeat in two years yesterday and was scored upon for the firs time this season when it lost to the s John's Prep representatives at Adelphi Field by a score of 18 to 13. Enthusiasm ran high and shortly after the second half had started remarks began to flow from the side lines at the players. Hank Doblin of Adelphi and Jimmy Ryan of St, John's finally could stand the strain no longer and exchanged blows, with the result that both were put out of the

ing. Three of the special policemen who were on the grounds tried to eject a St. John's rooter. They were surrounded by other students from the Willoughby avenue school, with the result that the of-fender was wrenched from their hands. The "specials" gave chase, blowing their police whistles as they ran, but to no avail. About a block away the pursued pursuers were overhauled by the St. John's partisans and received a shower of blows, several of the students later exhibiting skinned knuckles as evidence of their having landed a punch. One of Police Commissioner Woods's men ap-peared then and order was restored.

Meanwhile in the hope of diverting the attention from the mixup Referee Jack Hennessey bade the game go on. Order was restored again, and though there were several threats of "wait until after the game" nothing came of it. The game itself was played under low-ering skies and it became so dark that time was called three minutes before the

scheduled closing. St. John's got the jump on the Adelphi team, McKenzie kicking a goal from placement from the 29 yard line early in the first quarter. Shortly after play was resumed Jimmy Ryan, the Metropolitan 229 yard hurdling champion, recovered a fumble and ling champion, recovered a fumble and outfooted the field in a fifty yard dash to the line. The period ended with the St. John's added another touchdown in the second quarter when Kieran went over from the 2 yard line. Add thi also

scored when Moneypenny rounded end for a twelve yard gain and Weller kicked a goal. The final three points of St. John's were made in the third period when McKenzte of St. John's, who played with Adelphi last year, kicked his second goal from place ment. Higgins scored for Adelphi in the last quarter following a long run by

Commerce team have been made during the week. McDonald has been shifted to quarter, replacing Capt. Foster, and in præctice has run the team with exceptional speed. Besides showing good judgment, McDonald is also a good punter and an open field runner. Poster is now at end. Playing against the scrubs he broke through the line many times and downed the runher, often for a loss. Manual also has improved during the week and a hard game is expected. Last year the schools played a 6 to 6 tie.

The Manual-Commerce game will be played as part of a double header. In the district connection of the first of the Brown goal line for the first o an end run from Brown's 10 yard the Harvard's line was strong. This fac and better generalship defeater
